March 18-30, 2011

Hosted by Dr. Dwaine Braddy, Retired Bible Professor, Northwest University and Rev. John Hoole, Adult Bible Teacher, New Life Church, Renton, WA

Shalom and welcome to an exciting experience of discovery and spiritual renewal that will be in store for you when you join Rev. John Hoole and me on an exciting tour of the biblical lands of Israel and Jordan March 18-30, 2011. Visiting Israel and Jordan is a life-changing experience. Your heart will be warmed and your mind opened to fresh insights as the Scriptures come alive! To see the Word of God come alive is more than words can describe. I've been to these Bible lands many, many times, and can testify to how visiting these lands where Jesus, the Patriarchs, and the prophets lived have profoundly impacted my study and teaching of Scripture and my spiritual life. With Bible in hand you will be able to recapture the events, the stories, and the teachings of Scripture

where the Battle of Armageddon will be fought; and MUCH, MUCH MORE!
